

## Take Control of Your Retail Chain Operations

Longevity and profitability depend on a solid foundation. Trust a system that is fully integrated, customizable to your needs, and will scale with your business.

We built **Horizon Retail Solutions** with a singular purpose: to help Farm, Home & Ranch Retailers grow and thrive.

### POS & Store Management

Process transactions quickly & efficiently

### Merchandising

Maximize your inventory investment & make smarter decisions

### Integrated Payment Processing

Process payments quickly and securely

### ATF Compliance

Easily follow firearm rules & regulations

### Customer Management

Track all your customer, employee and vendor information in one place

### Finance & Accounting

Save time by streamlining AR/AP & other accounting processes

### Warehouse Management

Make data-driven decisions while running your distribution center

### Reporting & Analytics

Get a bird's eye view of your organization's performance

# Your Trusted Strategic Retail Management Partner

30+ years working with Farm, Ranch & Home Retailers across the U.S.

**“** Horizon Retail Solutions software has proven time and again to provide the forecasting and flexibility to manage the difficult day to day operations of a Farm and Home Retailer. I would highly recommend it!

**Bill Manion**

General Manager, Family Center Farm & Home

**Backed by Constellation Software Inc.**

Horizon Retail Solutions was acquired by Perseus Group, an operating group of Constellation Software Inc. in October 2019.

Being part of the Constellation family, we continue to provide the specialization and individual attention you expect from an industry-focused company while benefiting from the support and best practices of an international provider of market-leading software.
